

# Bowmanville Hospital Foundation **ANNUAL REPORT 2017-18** TO THE COMMUNITY

## A Year in Review

## A Message from the Chair and CEO

We are pleased to share our 2017-18 Annual Report with you. Thanks to our friends and supporters, it has been another outstanding year. As we reflect on the last year, we want to offer our heartfelt gratitude and appreciation for your demonstrated commitment with each and every gift received. With your help, our Foundation, our Hospital and our community accomplished so much.

We began by replacing 119 IV pumps with new “SMART” Infusion IV Pumps. These new pumps will not only help eliminate medication errors to advance the level of care administered to our patients, but also bring us up to date with required hospital standards. The Physicians and Nursing staff are looking forward to the pumps’ implementation in the Hospital this September. None of this would have been possible without you! Together, we can continue to transform the patient care experience for the better.

2018 has already been a very exciting year at the Foundation, filled with phenomenal gifts and support from the community. We kicked the year off with an exciting visit from Eric Hoskins, *Minister of Health and Long-Term Care*, announcing the approval of funding for the redevelopment and expansion project for Bowmanville Hospital. Since then, the Foundation has been hard at work preparing for the launch of our largest campaign to date. It has been 30 years since Bowmanville Hospital saw any new construction and the value this new facility will bring to the Clarington community will truly be transformative for generations to come. We can’t wait to embark on this historic journey together.

*“We are excited to build momentum as we prepare to launch our capital campaign. There is already a sense of excitement and commitment to the expansion which is just the start we had hoped for. I am honoured to be a part of this project as we embark on this historic journey together. – Chris Kooy, Chair*

With our sights set on the redevelopment and expansion of Bowmanville Hospital, we are pleased to note all funds raised going forward will go toward the hospital’s future development and expansion plans. As mindful and good stewards of your gifts, we strive to maintain the highest standard of good governance and oversight in all we do. We are grateful to be part of such a loyal community and are dedicated to keeping you informed of your gifts at work. Stay tuned for the launch of our new Foundation Newsletter, featuring campaign updates, donor spotlights and community initiatives in support of our campaign.

Today, please join us as we celebrate the accomplishments of the past year and look forward to an exciting future. On behalf of the Board of Directors and Foundation staff, we sincerely thank you for your support. Thanks to you, our future looks bigger and brighter than ever!

### Your Dollars at Work

## Thank You for Our New SMART IV Pumps

The Nursing staff at Bowmanville Hospital would like to thank you for supporting the "Buy a Pump" fundraising initiative and for helping to fulfill their promise of delivering patient-centered care, each and every day. With your help, we replaced 119 IV pumps with new SMART Intravenous (IV) Pumps.

The New SMART IV Pumps will:

- Administer IV therapy at precisely controlled rates/amounts
- Improve patient safety by eliminating medication errors
- Bring the Hospital up to date with required hospital standards

*"This new technology will change the way we deliver patient care. Anything that makes nursing life easier is very much appreciated."*

- Rebecca Cox, Unit Coordinator, Medical Unit, Bowmanville Hospital

Thank you for making this possible!

## First-rate Community Leadership in Motion

### Campaign Task Force

In preparation for the redevelopment and expansion project, we are pleased to introduce the Campaign Task Force, a group of strong community leaders who will help lay the groundwork for the capital campaign. Composed of representatives from Bowmanville Hospital Foundation, Lakeridge Health Corporation and community leaders, this group of passionate volunteers will serve as ambassadors to support the campaign efforts.

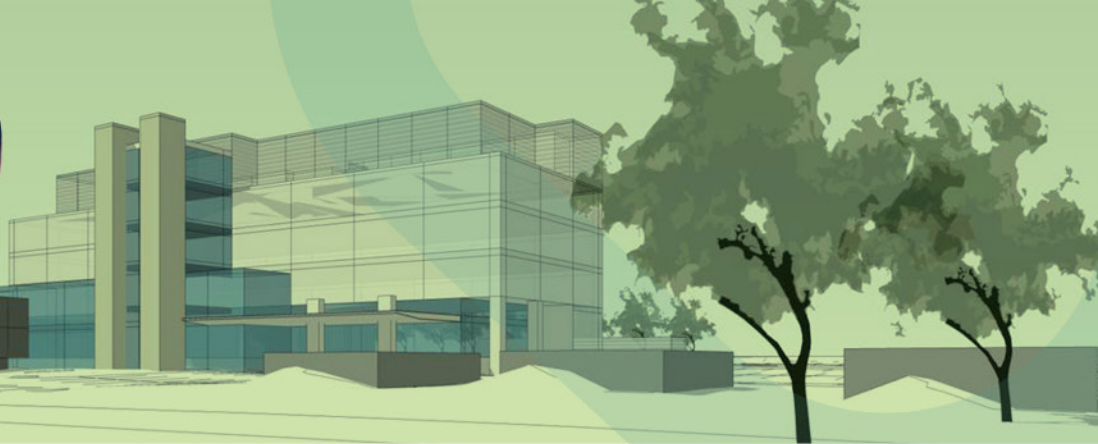

### Campaign Task Force Members include:

- Adrian Foster — *Mayor, Municipality of Clarington*
- Dr. Tony Stone — *Chief of Staff, Lakeridge Health*
- Tom McHugh — *Executive Vice-President, Patient Services, Regional Vice President, Cancer Services*
- Charles Stephens — *Wilmot Orchards*

- Chris Kooy — *Chair, Board of Director, Bowmanville Hospital Foundation*
- Frank Cerisano — *CEO, Bowmanville Hospital Foundation*

As a vital link between the Hospital and the community, we are thankful for these dedicated individuals!

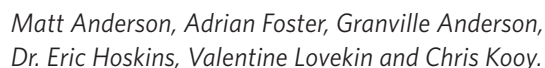

*The original Memorial Bowmanville Hospital, a former private residence purchased by J.W. Alexander in 1912.*

On January 26, 2018, the Honourable Eric Hoskins, *Minister of Health & Long-Term Care*, together with Durham MPP, Granville Anderson, visited Bowmanville Hospital to announce the Government of Ontario's approval of funding for the redevelopment and expansion for Bowmanville Hospital.

The redevelopment project will double the size of the Hospital by replacing the north wing with a newly constructed patient tower and result in expanded facilities for various programs and services. Services in the new tower include the Emergency Department, Surgical Services, Critical Care Unit, Inpatient Units and an expansion of Diagnostic Imaging Services.

Since the January 26 announcement, Lakeridge Health has been diligently working with the Ministry to move the plans forward. The capital planning process is broken down into five stages.

3 possible approval milestones: proposal development, functional program, design development

## It's Our Time

No new construction has occurred at Bowmanville Hospital in 30 years. As the easternmost hospital and ER in the Lakeridge Health network, the need for up-to-date facilities and services is of utmost importance. This project couldn't have come at a better time for both Bowmanville Hospital and the community.

## By the Numbers

### Bowmanville Hospital

While we are proud of our hospital's legacy, its facilities are strained to support the increasing demand for healthcare in Clarington. In our current condition, Bowmanville Hospital will be unable to handle the increased demand for services to come.

- 353 Staff
- 35,017 Emergency visits
- 40,487 Diagnostic/Medical Imaging visits
- 11,147 Surgical cases
- 50,220 Ambulatory visits
- 28 Acute Care beds
- 19 Medical/Surgical beds
- 6 Critical Care beds
- 24 Chronic Continuing Care beds
- Population Served 92,000+

## How You Can Help

We appreciate everything you do on our behalf. There are as many ways to give as there are reasons to give. Bowmanville Hospital Foundation offers a few types of giving. Choose one that best matches your needs and we will be right here to help plan your next steps. We appreciate everything you do on our behalf.

- Host your own event
- Corporate giving
- Matching gift

## 2018 "Buy a Bed" Fundraiser

The new Hill-Rom stretchers will not only offer patients a more comfortable experience but also assist staff with simple maneuvering, injury prevention and durability.

Our goal is to purchase 26 hospital stretchers and mattresses at an approximate cost of \$5,000 each. The new beds will be transitioned into use with the completion of the Hospital's redevelopment and expansion project.

### Join in the Challenge!

Thank you to the Royal Canadian Legion Branch 178 Poppy Fund, Royal Canadian Branch 178 Ladies' Auxiliary and Ontario Power Generation Darlington who have contributed to the "Buy a Bed" Fundraiser!
